

## **Math Teacher Grades 6-9**

IMS seeks a Math Teacher for its grade 6-9 academic program. The qualified candidate will:

- Be a Full-Time Instructor (March-June 2024)
- Teach four sections of academic classes; level to be determined by background and experience
- Work during two to three athletic seasons as an athletic coach
- Serve as a student advisor
- Work as a member of the Residential Life program
- Perform other duties as assigned

Candidates should also be able to demonstrate the ways in which inclusive and equitable practices inform their approach to education and learning. Candidates must hold a valid bachelor's degree, and a minimum of two years teaching experience or related experience is preferred.

Interested candidates should submit materials to [alex\\_hodosy@indianmountain.org](mailto:alex_hodosy@indianmountain.org). Candidates whose qualifications and experience align with the school's needs will be contacted.
